CBRN JOURNAL: 19th EDITION

Dear Gen

1. JSTI (CBRN), CME is a tri services trg institute and a Centre of Excellence (CoE) on defensive aspects of CBRN Warfare. As part of CoE, it is involved in formulation of various doctrines and concepts on CBRN and towards this, it publishes an annual CBRN Journal on contemporary topics. With the advent of tech, lot of changes are visible in the vast fd of CBRN domain. Hence for the 19th edition, it has been decided to go for a central theme on a contemporary topic as well as look for generic articles on broader aspects related to CBRN. Accordingly, we are looking fwd to articles from the envt on the topics for theme as well as non-theme sections as per the details given below:-

1.1. **Theme Based Section.** For the 19th edition, the theme of the CBRN Journal is "**Emerging CBRNE Threats and Response Strategies**". The larger aim of the theme is to seek sustainable solutions to various CBRNE challenges like available tech, existing org in the armed forces incl denovo look and global policy frameworks available for mitigation of CBRNE threats.

1.2. **Non-theme Based Section.** For this section, the broad categories on which the articles are being expected are:-

- 1.2.1 CBRN Threat Assessment and Analysis
- 1.2.2 Latest Technological Innovations and R & D
- 1.2.3 CBRN Preparedness incl Eqpt Management
- 1.2.4 Policies, Ethical Aspects and Sustainability in CBRN envt
- 1.2.5 CBRN Risk Mitigation

2. I therefore, seek your cooperation in the endeavour by way of articles for the 19th edition of CBRN Journal. The contact details of the editor are given below for convenience.
