

SECRETARY'S NOTES

ANNUAL SUBSCRIPTION

Many members have not yet paid 1976 subscription, which became due on 1st January. If you have not paid yours, would you please do so without delay, and so save the Institution the cost of sending further reminders.

SUGGESTIONS FOR THE JOURNAL

The USI Journal is in its 105th year of publication. As you will no doubt appreciate, the Institution spends a great deal of its funds on producing this publication. We would like to have your comments, criticism and suggestions so that we may improve this publication to meet your interests.

OLD BOOKS AND TROPHIES

The Institution is in possession of a collection of old and rare books presented by members from time to time and while such books are not available for circulation, they can be seen by members visiting Delhi. The Secretary will be glad to acknowledge the gift of books, trophies, medals etc., presented to the Institution.

ADDRESSES

The difficulties of tracing addresses are now very much increased. Members are earnestly requested to keep the Secretary informed of changes in their addresses or if possible give a permanent address which will always find them e.g. a Bank.

LIBRARY BOOKS

There are many instances where members are keeping books for four or five months in spite of reminders. It would help the Librarian considerably if members ensure the return of books to the Library within one month of their receipt or immediately on their recall.

From 1 January 1976 to 31st March 1976, the following new members joined the Institution :—
