# USIMUN

United Service Institution of India Model UN Simulation

---

26th - 27th April 2025

*Invitation*

Curated by ESG Sustainable Youth Foundation  
(A Youth-led Organization Accredited by UN Agencies)

## ABOUT USI

The United Service Institution (USI) of India is India's premium tri-service think tank, established in 1870. USI undertakes research and debates in the fields of strategic security, geopolitics, strategic net assessment, military affairs, military heritage, and UN peacekeeping. It deals with the UN Peace Operations at the policy and doctrine level. It also undertakes professional skill development programs for policymakers and promotes the 'Atmanirbhar Bharat' (Indigenisation of Defence Industry) program.

The Indian Centre for UN Peacekeeping (CUNPK) was established in 2000 by the USI and nurtured for 12 years to attain the status of Excellence in UN Peacekeeping Training, which is now a part of the Indian Army. Currently the Centre for United Nations Doctrine & Policy (CUNDP) of USI collaborates actively with international institutions like the Challenges Forum, the Norwegian Institute of International Affairs (NUPI), the Effectiveness of Peace Operations (EPON), the Geneva Centre for Security Policy (GCSP), and the International Committee of the Red Cross (ICRC).

In line with this esteemed legacy, USI is set to host USIMUN-2025, a prestigious Model United Nations (MUN) conference, on April 26-27, 2025, at the USI campus in Shankar Vihar, New Delhi.

Curated by the "Empowerment by Capacity Building (ECB) Sustainable Youth Foundation", a youth-led organisation accredited by UN agencies, United Service Institution Model United Nations (USIMUN) will provide a dynamic platform for young delegates to engage in global diplomacy, foster international collaboration, and cultivate leadership skills in the context of global governance.

**Major General BK Sharma, AVSM, SM\*\***  
Director-General,  
United Service Institution of India

# Welcome Message

From the desk of

Dear Delegates, Chairs, and Esteemed Guests,

Welcome to USI Model United Nations (USIMUN) 2025, where diplomacy, leadership, and global collaboration take center stage. This year, we gather with a shared mission to debate pressing international issues, foster innovative solutions, and embrace the spirit of multilateralism and diplomacy that defines the United Nations.

As you step into this simulation, you are not just representing nations; you are shaping the future. USIMUN is more than just debate - it is an opportunity to develop critical thinking, negotiation skills, and cross-cultural understanding that transcend borders.

We encourage you to engage passionately, challenge perspectives, and most importantly, uphold the values of diplomacy and mutual respect in multilateral environment. Whether you are a first-time delegate or a seasoned participant, this conference is your platform to make an impact.

Welcome to USIMUN 2025 - where ideas ignite change, and the leaders of tomorrow emerge!

**Major General PK Goswami, VSM**  
Director,  
Center for UN Doctrine and Policy

## ABOUT USI-CCOE

The USI-CyberPeace Centre of Excellence (CoE) aims to advance cyber innovation and promote peace through a strategic blend of military and cyber expertise. Established as a collaborative initiative between the United Service Institution of India and the CyberPeace Foundation, the Centre envisions a secure digital future driven by cutting-edge research, education, and global cooperation. It serves as a hub for cyber threat intelligence, policy development, and capacity building through academic programmes, awareness campaigns, and specialised training sessions. By addressing emerging digital threats and fostering international dialogue, the CoE aspires to shape the global cybersecurity discourse and uphold cyber peace for the greater good of humanity.
