Proven Expertise of USI of India in Conduct of DSSC Courses

- ▶ Started holding military war games in mid 1880s.
- ▶ Started assisting officers to prepare for exams in tactical fitness for command & promotion in 1903.
- ▶ Started programmes to assist officers in preparing for Staff College in 1910.
- ▶ By 1914, there were 23 programmes offered to interested officers on payment.
- ▶ Since 1958 conducting courses for promotion exams & DSSC/DSTSC Competitive exams, and Professional Military Education (PME) Course of Indian Navy. Only institution in the country conducting course for all papers for DSSC/Navy.
- ▶ The **success rate** in competitive exams has been **approx 80-90%.**
 - In 5 yrs of Pre-Pandemic Courses, out of 1911 vacancies available for DSSC/DSTSC/ALMC courses 1503 were secured by the offrs who undertook courses/contact pgmes of USI. In res category 83 out of 117 were student offrs of USI. 17-18 out of 20 Competitive vacancies. Results placed on website every year.
 - During Pandemic all courses conducted on line successfully. During this period (2020,2021) out of total available seats for DSSC/DSTSC/ALMC (453+501=954), 527 were secured by small population of 688 offrs registered and trained by USI, out of total candidates (>3000) for exam, by going through online/correspondence course at USI, indicating the magnitude of impact on preparation.

- In Part B, on online model 100% students passed in 1st year, later pass percentage of USI students has been 30% higher than the average of overall result in Part B and D.
- Results speak for themselves. Some students spend over Rs 50,000 to attend Contact Pgme.

▶ Currently conducting CORE Programmes, Jointmanship Capsules, Strategic Game Exercises, Seminars/Panel discussions at NDC, various War colleges incl other services, Classified study projects on strat and mil matters, besides national level seminars with ARTRAC and other Commands, DGAR etc.

▶ Prep of study mtrl for Army and Navy (Incl project for Question Bank for online tests for Navy)

▶ Online and Hybrid Model of courses being conducted at USI, in addition to physical courses. Infrastructure for both available.

Modality of Correspondence Courses

▶ Courses oriented towards preparing officers for promotion & competitive exams in planned & sequential manner.

▶ Correspondence Courses conducted through dispatch of Course material, publications, Question papers at regular intervals for all/chosen subject(s). The schedule is notified in the beginning.

▶ Syllabus laid down by the Service HQ.

▶ Test papers set by experienced officers, on the pattern of the actual exams, & cover all important aspects of subject(s) in graduated manner.

▶ Final test paper in each subject covers entire syllabus for the subject(s), as a dress rehearsal, just before the actual exam.

▶ Students answer test papers in their own time under examination conditions and send the answer sheets by post.

▶ Answer sheet corrected by an experienced Directing Staff, & returned to the

officer, duly marked with detailed comments and personal guidance notes.

- ▶ Suggested answers sent for guidance of the students along with answer sheet.
- ▶ Study material including maps for Military History, to make understanding of prescribed military campaign & biographical character easier provided to students.
- ▶ For Current Affairs comprehensive quarterly supplements covering International and Domestic scenes sent.
- ▶ The Course Material revised & updated every year.
- ▶ Results of all exams analysed at the end of Courses and the weaknesses are addressed in next Course.
- ▶ Feedbacks incorporated. Study material and modalities are thus aligned to actual exams, policies changes in services and need to enhance professional capabilities of serving officers.

Interactive Course

- ▶ The Course has been remodeled as 'Interactive Course'.
- ▶ Enrolment to the Course entitles students, to seek clarification and amplification on subject(s) by correspondence/emails.
- ▶ Additional Handouts given based on pattern of questions asked by students in interactive mails.

Contact Pgmes (CPs)

- ▶ Three CPs of six days each conducted in June –July (Just before exams) for officers, who have prescribed for it.
- ▶ CPs conducted at USI, in Delhi. Separate test papers set for each subject for all programmes.
- ▶ Dry run for actual exams.

- ▶ Mock Test, correction and discussion.
- ▶ Guide students on exam and answering techniques.
- ▶ Clarify doubts on entire syllabus for all subjects.
- ▶ Discussion on question papers issued by USI or from other sources.
- ▶ Explain imp subjects/issues.
- ▶ During pandemic, CPs were conducted on line model.
- ▶ USI is plg to undertake CP for Part D especially for offrs on verge of losing seniority/compulsory chance for DSSC, subject to No of registrations.
Faculty (Myth of USI being Outdated)
- ▶ Faculty of Retired and Serving officers. Specialists, Min HC/NDC/Instructor Class A and DSSC qualified having passion of paying back to org. Over 100 offrs on panel from Lt Gen to Col. Student to DS Ratio 10:1.
- ▶ Permanency of staff. Institutional knowledge.
- ▶ Panel of instructors delivering talks in Higher Command Course, DSSC, Corps Pgmes, Jt Services Capsules and NDC Exercises.

Facilities

- Infrastructure available for Physical as well as Online mode. Tech enabled classroom with smart boards, upgraded audio-visual facilities.
- Adequate grnd Staff (DS Coord recommended, Study leave for PME).
- Institutional Knowledge and experience.

Website being improved for digital payment, feedback on course and examiners.

CORRES COURSE FOR PROMOTION EXAM PART 'B' 2022

1. On behalf of the Director USI of India I welcome you to Corres Course for

Promotion Examination Part B 2022. During the course it will be our continuous endeavor to help you to prepare for the exam in a systematic manner through a series of trg packages. Part B being the first promotion exam in your life, you must prepare well and clear it in one go.

2. The mtrl will be sent to you as per schedule given in Gen Instrs. To avoid postal delays students are suggested to ask for dispatch by speed post by paying Rs 600 extra to avoid.

4. Promotion Exam Part 'B' is the first in a series of mil exams you will face in your career. Though it is a non-competitive exam, none the less your systematic and comprehensive preparation for it will not only help you face this exam confidently, but will also lay a sound foundation for exams and courses upto Defence Services Staff College Entrance Exam and for your future service in the Army. So begin in right earnest and prepare meticulously.

5. One crucial point I want to emphasize is that in 2021, all offr s who took USI course have passed the exam and almost 90 percent of other offr s cleared it. The online exams started in last few years and seemed to be easy. It need not be the same in 2022, and ARTRAC can increase the degree of difficulty. It is therefore necessary that you subscribe for the course and prep systematically from the beginning. You may also like to advise your friends, who are affected.

6. If you have any query or wish to seek any clarification any time, you can email me on ci@usiofindia.org. You are requested to write specific doubts for clarification. If you are visiting Delhi, you can avail of the opportunity and clear the doubts in person.

7. I must again stress that ultimately it will be your individual and dedicated effort that will carry you through.

8. We wish you best of luck in your endeavour and subsequent success

**CORRES COURSE FOR PROMOTION EXAM
PART D OCT 2022**

Dear Student,

1. On behalf of the USI of India, I welcome you to the USI Corres Course for Promotion Exam Part D Oct 2022 and look fwd to a fruitful association. Remember passing Part D exam in time gives you more chances and freedom to appear for DSSC. The crux of the course is corrections, guidance and interaction to improve your performance.

2. In the past courses, I have noticed that a large No of students do not attempt the test papers and wait for the suggested answers. Remember that during the exam you will be able to recall the suggested answers better, if you had applied your mind, when you got the question paper. It is, therefore vital that you write out the answers and send them to us for correction. You will be guided on how you could have done better. You will also be able to remember the answer composed in your own words/language better.

3. It is strongly suggested that you answer as many papers as you can under exam conditions. If you cannot sit continuously for three hr, do a few questions – note the time taken and later carry on. This is not a good method as continuity is broken but it is better than not monitoring the time. In exam, unless you write correctly and logically the examiner cannot give you mks.

4. If you take longer than three hr to answer a test paper, indicate this by drawing a red line across the paper at the end of the three hr. This will indicate to you the percentage of test paper you were able to attempt in the allotted time. Also indicate the total time taken to actually finish answering all the questions.

5. I would request you to register as fast as possible and commence systematic studies to avoid undue stress near exam. To cater for offrs who are on the verge of losing seniority or first compulsory for DSSC Course USI proposes to conduct Contact Pgme. Please let us know if you are interested in Contact Pgme for Part D on the lines of DSSC, scheduled in August.

6. We are trying to make the course user friendly and interactive through e-mail. Please read the Gen Instrs carefully.

7. Finally, it is once again emphasised that ultimately it will be your indl effort that will carry you through in the exam. We shall endeavour to help and guide you to achieve success.

8. With my best wishes for a successful end result.

CONTACT PROGRAMME 2021

REVISED INSTRUCTIONS FOR CONTACT PGMES -2021

Dear Brother Officers,

1. The current state of second wave of coronavirus pandemic in New Delhi seems to be declining, but is still dangerous enough not to risk conduct of physical classes for First Contact Pgme (CP-1) commencing from 21 June 21.
2. In view of the above, its planned that the First Contact Pgme (CP-1) will be conducted online. The modalities will be as under: -
 - (a) All question papers for six subjects of CP-1 will be dispatched to offrs, who have subscribed for it on 18 June 21. The webinar links from

Monday to Saturday will also be sent along with the question papers. The same link will also be fwd to the concerned DS(s).

(b) On 21 June 2021, the course will commence with the lecture of CI on guidance for preparation, answering technique and other issues related to improving the performance at 1100 hr. All student offr are requested to log in 10 minutes before that.

(c) The lecture will be followed by Guidance and Q/A session for Tac B paper. This will also be attended by panel of DS. The session will end at 1330 hr. Offrs are required to appear in mock test of Tac B from 1400hr the same day.

(d) Same procedure will be repeated each day till Saturday with one subject being covered each day.

(e) After the offr have answered all six papers they will dispatch the answer books to USI by 27 June 21 latest, by speed post only. The same will be corrected and sent back to the offr at the earliest. We will send the suggested answers on 28th June. In your own interest, please do not delay dispatching answered questions beyond 27th Jun, otherwise you will minimise the gains from undertaking CP by tendency to see the answer.

(f) The sequence of answering question papers and webinars will be Tac B (21 June), Tac A (22 June), Adm and Law (23 June), SMT (24 June), MH (25 June) and CA (26 June). The same sequence will follow for other CPs, if it has to be held on line, due to pandemic situation, for which separate instructions and links will follow.

3. The re-scheduling of CPs has been carried out as per the registration pattern. CP1 and CP3 will be conducted as scheduled. Contact Pgme 2, (CP2), **scheduled from 05-10 July stands cancelled due to inadequate registration to make it viable**. Offrs who had applied for CP2 can either ask for transfer to CP1 or CP3 by email imdt. In case some offr is unable to changeover due to any reason, he will be provided the study mtrl for CP1 and CP3, within the amount paid for CP2. No money will be refunded as it gets committed in preparation of study mtrl and honorarium of DS earmarked and briefed in advance.

4. It is expected that by 19 July coronavirus situation might improve to the extent that physical conduct may be possible. In that case USI as well as student offrs will prefer physical conduct of CP and all old instructions will hold good. In case the situation doesn't improve the model for CP1 will be replicated for CP3 and offrs registered for CP3 will be intimated in first week of July 21.

5. It is requested that maximum publicity be given to these instructions. There is no change in correspondence course for DSSC or Part D. Offrs are encouraged to register for the course as well as either of contact pgmes (CP1 and CP3) as both have adequate registration and will be conducted under any circumstance.

6. These Contact Programmes for DSSC/DSTSC Sep 2021, might become oversubscribed, so register yourself earliest as it is on first cum first serve basis, and to get on your preferred dates.

Date of Contact Programmes: -

CP- I	21 to 26 Jun 2021.
CP-II	05 to 10 Jul 2021. (Cancelled)
CP-III	19 to 24 Jul 2021.

7. **Fee Structure.** Cost of per CPs is as under: -

Mock Test & Discussion	6000/-
Only mtrl for any one CP	3000/-

8. Please go through the instructions very carefully and you can plan accordingly. You can make necessary changes as indicated in the instructions.

9. For the webinars you can join in through your computers/laptops or mobiles. It is recommended that you locate yourself at a place where internet/4G is available for that week. For those offrs who are unable to reach out, hard copy of every study material will follow in any case.

10. The next set of instructions will be issued as indicated. The revised instructions issued will also be displayed on our website in "Msg from CI" in due course, however the specific link will only be issued to the offrs, who have subscribed for the specific CP and the DS Body along with question paper.

01 Feb 2021

DSSC 2020: Highly encouraging results. Out of 304 offrs registered for DSSC Corres Course /Contact Pgme. 257 Offrs qualified for DSSC/DSTSC/ALMC/Res. USI Congratulates successful candidates, who took the Cores Course/CP seriously. Hurry up for registration of DSSC/Part D/Part B Navy to desire max benefits from Course, through meaningful correction of your written wk.

18 Oct 2020

1. As the postal services have resumed in most part of the country, the study mtrl for Corres Courses will be despatched by post. All offrs are advised to register for Corres Courses for the year 2021 i.e. Part B, Part D, DSSC, PME Navy and Contact Pgmes.

2. Contact Pgmes are being planeed through physical interaction, hoping that COVID-19 situation will improve by June – July 2021. Timely intimation will be given, in case it is required to be changed to online model, if the pandemic situation doesn't improve. In either case the DSSC asperants are advised to register for the Course imdt. The dates have been given in the prospectus loaded on our website.

23 Mar 2020

In view of precautions against COVID-19, the registration for all courses will continue online as hitherto-fore. The Course material will be dispatched immediately after lock down in Delhi is relaxed. Officers registering for DSSC, Contact Programmes, PME (Navy), Part B and Part D should hurry up with online registrations, to start timely preparations.

1. The results for DSSC for the year 2019 of the offrs who registered for USI correspondence Course/Contact Pgme is given below:-

<u>Results</u>		<u>DSSC</u>		
		<u>Total</u>	<u>Secured by</u>	<u>USI Percentage</u>
		<u>Vacancies for</u>	<u>USI</u>	
		<u>the Army</u>		
(a)	Competitive	20	12	60%
(b)	Nominated	247	173	70.04%
(c)	Reserve for DSSC/DSTSC	25	11	44%
(d)	ALMC (Advance Logistics Mgt Course)	90	68	75.55%
Total		382	264	69.10%

DSTSC (Defence Services Technical Staff Course)

Results

(a)	Nominated	88	48	54.54%
(b)	Reserve	Incl in Para 2 (c) above.		

2. It may be noted that due to various operational commitments, only 426 offrs who took the course at USI had appeared, which is less than 30 percent of the all offrs who appeared for the exam in 2019 and secured almost 70% of the seats for DSSC/DSTSC/ALMC of the total seats. With this data it is evident that the written practice, corrections and guidance given to the student offrs from USI makes a significant improvement in offr's performance. Only having excessive study mtrl does not give good result, unless the offrs write the answers, which are then corrected by experienced DS and the offr is appropriately guided.

3. In this context, I advice all offrs who are appearing for DSSC-2020, to immediately register for USI Correspondence Course and Contact Pgmes, which

have already been notified for your advance plg and make the best use of the guidance, which this Institute has to offer. Your registration also gives you an opportunity to clarify doubts on any subject, as and when they appear through email/phone call/personal interaction.

01 Jan 2020

I want to emphasize to all officers eligible to appear for Part B, that in 2019, all officers who took USI course have passed the exam and almost 90 percent of other officers cleared it. The online exams happened for the first time and seemed to be easy. It need not be the same in 2020, and MT Dte can increase the degree of difficulty. It is therefore necessary that you subscribe for the course and prep systematically from the beginning. You may also like to advise your friends, who are affected.
